

Medical and Recreational Marijuana

Understanding today's issue

Linda Gingras. LMFT. CADC II

Director of Addiction and Prevention Services
Jewish Family Service of Los Angeles

Continuing our conversation of health and healing...

Linda Gingras, our guest speaker, will address the changing nature and forms of marijuana, explore new products, trends, and potency levels. She will examine myths and misconceptions about marijuana, potential risks and effects of use, the role of medical marijuana, and implications of recent marijuana legislation .

Thursday, March 21st
@7:00pm
in the Social Hall

**\$5 to attend; fee waived for Sisterhood members
and Friends of Sisterhood**
