

Sisterhood Presents: Forensic Psychology

We read books or watch TV series about forensic psychologists who evaluate criminals and defendants and testify in court.

On February 20, 2020 @ 7:00

Dr. Jasmine A. Tehrani will share stories and personal experiences from this fascinating field.

Dr. Tehrani is a Senior Psychologist with the Board of Parole Hearings' Forensic Assessment Division and a Clinical Assistant Professor of Psychiatry at the USC Keck School of Medicine/ USC Institute of Psychiatry and Law
