2021 Updates on the Disease, Prevention, and Vaccinations

Join us for an evening with TAS's own

Nancy Parris Moskowitz

RN, MPH (Epidemiology)

talking about COVID - 19 and its vaccinations.

7:00pm, Thursday, February 18, 2021

Nancy Parris Moskowitz is a registered nurse and a registered healthcare information administrator, with a Master of Public Health in Epidemiology. She has worked in the field of Infection Prevention and Control for over 35 years. She is nationally board-certified in infection control (CIC) and healthcare quality (CPHQ). In 2017 Nancy was inducted as a Fellow of the Association for Professionals in Infection Control and Epidemiology (FAPIC), a distinction of honor for infection preventionists who are not only advanced practitioners of infection prevention practice, but also leaders within the field.

If you have any specific questions you would like answered at the event please submit them to Karen Jaye at kjaye@verizon.net by February 13. She will forward them to Ms. Moskowitz.
