# VIOLINS *of* HOPE

כינורות של תקווה

Music has the power to heal...  
to transcend pain & anguish –  
and to bring **hope**.

Join us for an evening of music played  
on restored violins which were used in  
the ghettos and concentration camps  
of WWII. Listen to the stories which  
celebrate the triumph of the human spirit.

Thursday, Nov. 18, 2021 7:00 PM
